

A L E X A N D R E

C A S U

FRONT END DEVELOPER
UI/UX DESIGNER

ABOUT

My name is **Alexandre Casu**.

I'm a **multidisciplinary developer** based in Marseille, France.

My expertise ranges from **front-end development** to **UX design** including graphic design and visual communication.

Originally trained in graphic design—a field I've been passionate about for over ten years—I juggle coding and visual design software on a daily basis.
